

Required for January 2011 for a temporary full-time position (two terms) a well qualified and enthusiastic teacher of mathematics to join a strong and experienced team. This could be a permanent position for a suitable candidate. You will need to be able to contribute to our continuing success. Mathematics has a very good record of achievement at all key stages (over 73% A*-C at GCSE) including a large uptake at A level.

The successful candidate will need to have the skills required to utilise ICT as a central part of their teaching. The post would suit an experienced or newly qualified teacher.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

All appointments are conditional subject to an enhanced CRB disclosure.

St Ivo School enjoys the benefits of a superb location in rural Cambridgeshire with easy access to the county town of Cambridge.
