KEY STAGE 4 CURRICULUM BOOKLET

Welcome to our KS4 option booklet. For the first time in your education you have a significant say in what you will be studying and this booklet has been produced to help you and your family make the best possible choice.

When making the decision it is important that you make a balanced choice so that you don't restrict your possibilities in two years' time.

Don't choose subjects on the basis of what your friends are doing, choose the subjects which you are confident you will do well in and which will help you to progress, either academically or in the job market post-16.

Good luck with your choice!
