

Subject choices for September 2010

Name: _____

Form: 9 _____

Everyone will take English, mathematics, science and ICT as examination subjects. You will also study PE and PHSE with RE and citizenship. The option for science within the core will be done through the science department.

In addition, you should choose 4 option subjects. To help you choose, the subjects are grouped into "experiences" which are represented by the colour bars. Try to make as wide a choice as possible. You may choose 2 subjects from the same colour bar.

BTEC Sport* **ICT (National Award)** **Catering** **Child Development**

Ethics **Geography** **History**

Business Studies **Economics** **Media Studies** **Vocational Business***

French **German** **Italian**

Painting & Drawing **Sculpture** **Textiles**

Dance **Drama** **Music** **PE**

Electronics **Food and Nutrition** **Graphic Products** **Resistant Materials**

* These are double subjects and so you may choose one of these, plus 2 other single subjects to make 4 in total.

Stage 1: After researching all the subjects, use a pencil to circle your shortlist.

Stage 2: Reduce your choices to 4.

Stage 3: Fill in your choice here. Choice 1 _____

(Remember subjects with a Choice 2 _____

star takes up 2 choice slots) Choice 3 _____

Choice 4 _____
